PROFESSIONAL SUMMARY

Multi-skilled Operations, IT & Administrative Professional with a dual qualification in Computer Applications (BCA) and Business Administration (MBA). Experienced in end-to-end operations management, digital record-keeping, MIS reporting, and process auditing across banking and educational institutions. Strong technical foundation in Advanced Excel, Power BI, hardware troubleshooting, and core database systems, combined with proven administrative and vendor coordination skills. Seeking non-sales roles in Operations, Process Management, Administration, or IT Support where cross-functional technical and operational expertise can add value.

CORE SKILLS & COMPETENCIES

- **Technical & Software:** MS Office (Advanced Excel, Word, PowerPoint), Power BI, Core Banking Systems, Adobe Photoshop, After Effects.
- **IT & Hardware:** PC Maintenance, Hardware Troubleshooting, Network Basic Configuration, Cyber Security Protocols.
- **Operations & Admin:** MIS Reporting, Inventory & Vendor Management, Digital Archival, Financial Verification, Process Auditing.
- **Soft Skills:** Team Coordination, Client Relations, Problem Solving, Operational Planning, Multitasking.

PROFESSIONAL EXPERIENCE

CRM Executive.
Sankool Solution, Nagpur | September 2026 – Present

- Maintain and update customer databases with high accuracy, ensuring data integrity, proper segmentation, and compliance.
- Onboard new clients smoothly by guiding them through initial setups, account configurations, and product walkthroughs.
- Assist in automating routine sales workflows and follow-up reminders, reducing response time by streamlining lead distribution.
- Serve as the primary point of contact for customer queries, resolving issues promptly to improve customer satisfaction (CSAT) scores.
- Collaborate with cross-functional teams (Sales, Marketing, Technical Support) to resolve complex customer complaints.

Cashier & Branch Operations Associate
Nirmal Urban Co-op Bank, Nagpur | Oct 2023 – July 2026

- Managed high-volume cash transactions, vault liquidity logs, and core banking system entries with zero variance.
- Handled customer queries, KYC verification, and digital documentation compliance.
- Executed daily operations while maintaining strict adherence to audit standards and internal protocols.
- Tracked overdue client accounts, conducted systematic follow-ups, and streamlined documentation processes.

- Prepared analytical status reports using MS Excel for management review, ensuring regulatory compliance.

Administrative Associate
Vision Voice Public School, Nagpur | Mar 2019 – Sep 2023

- Maintained secure digital/physical filing systems and updated daily attendance and MIS records.
- Managed IT equipment checks, stationery inventory, and basic office hardware maintenance.
- Monitored operational expenditure against approved budgets and drafted official business communications.
